The following videos show off a recent launch of Assassin's Creed: Syndicate. This is a game that was initially released back in 2015. However, the game has just been updated to new Assassin's Creed: Syndicate Free Download PC game in a pre-installed

Free Download Assassin's Creed: Syndicate – Gold Edition + v1.5 Repack-Games free download. It is the most recent installment in the best-selling series. As with all Assassin's Creed games, the player is usually given a famous historical figure to play as, in this case the character is Jacob who is the main protagonist. The game contains the same plot as past Assassin's Creed games, the player is trying to free people from a group of Templars. In order to do this, the player has to infiltrate the city where the Templars live and release the captives to the player. It is important to note that not all people the player frees from the

Templars will help the player in the end. The plot of the game revolves around setting up an alliance with other known historical characters, as well as the city of Boston. One of these characters is Haytham Kenway, who is the father of the protagonist. This video will walk you through Assassin's Creed: Syndicate – Gold Edition + v1.5 Repack-Games Free Download.
